

Stained Glass Memorials

for St. Ann's Parish

Mother Of Sorrows

You have the rare and unique opportunity to establish a permanent memorial in the new church at St. Ann's Parish.

Eighteen arched stained glass windows have been made available from a Catholic Church that has recently been closed.

Each window will be thoroughly cleaned and restored before being installed in the newly transformed St. Ann's Church.

These masterworks would beautify and enhance at St Ann's new worship space. An ideal way to remember and honor deceased loved ones or parish leaders, these beautiful works of art are available to families and organizations on a first come, first served basis.

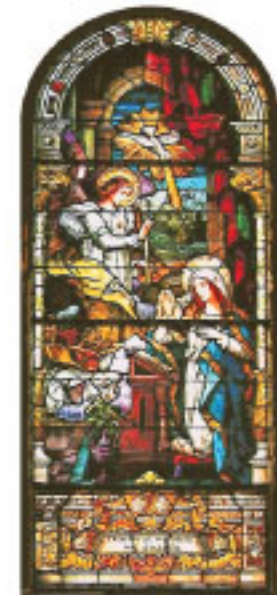

Mary and Saint Ann

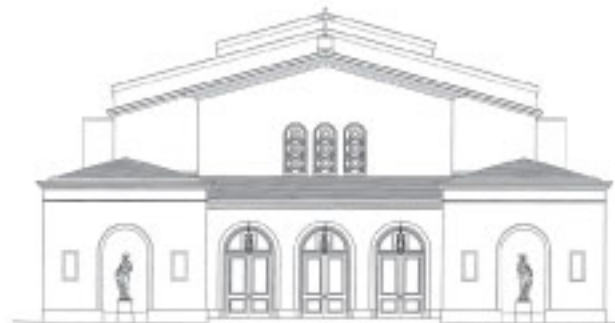

This project is in addition to our regular capital campaign.

Please consider funding one of these windows as a memorial. Cost for each window is \$25,000.

To learn more, please contact Fr. Reid at 704-523-4641, extension 222.
